

## **National Centre for Sports Sciences and Research (NCSSR)**

Erstwhile named as Indian Institute of Sports Sciences and Research (IISRR), the scheme aims to support high level research, education and innovation in respect of high performance of elite athletes. With a view to pursuing this objective, the scheme is focused on sports sciences and sports medicine through creation of/ support to the following institutional mechanism:

- i. National Centre of Sports Science and Research (NCSSR) to be established in the Netaji Subhash National Institute of Sports, Patiala (an existing institution of sports coaching, education, sports sciences, sports medicine and athlete training under the Sports Authority of India).
  - ii. Support to Sports Sciences Department in select Universities.
  - iii. Support to Sports Medicine Department in select Institutes/ Medical Colleges.
2. The total cost of the proposed scheme would be Rs.107 crore for NCSSR and Rs.237 crore for support to Sports Sciences and Sports Medicine Departments in selected Universities and Medical Colleges. Its duration would be from 2017-18 to 2019-20. It would be a central sector scheme.
3. Six Universities and Four Medical Colleges have already been selected and grants have been released to them. The selection process of remaining two Medical Colleges is underway. Sports Science courses in selected Universities are expected to commence from July, 2018 and MD (Sports Medicine) & DSM courses in selected Medical Colleges are expected to commence from 2019-20. The names of the selected Universities and Medical colleges along with the academic programmes to be conducted by them are given at **ANNEXURE A** and **ANNEXURE B** respectively.

**ANNEXURE A****LIST OF SELECT UNIVERSITIES/ INSTITUTE**

<b><u>S.No</u></b>	<b><u>Institute /medical college/university</u></b>	<b><u>Academic Programmes to be conducted from 2018</u></b>
